MIDWEST WHISTLIN DIAMOND came into this world colored up and has become one of our Fanciest females. She doesn't turn 2 until late June and is showing early twist. We expect her to grow into a FANTASTIC cow just like her Dam. Did I mention this maternal line breeds back insanely quick? This girl seems to be right on track to join that family tradition as she was just confirmed 3 months bred to our boy MIDWEST TOP GUN on 4-2-2024
